

**NJAGC Administrators' Network
2025-2026**

The NJAGC Administrators' Network is open to all school administrators, gifted coordinators and educators responsible for gifted services and programming in their school or district. The group will meet virtually every month on the first Tuesday of the month with the exception of the first meeting which will be held on September 30. Alternate meeting times (7:00 pm and 1:00 pm) have been scheduled to accommodate administrator's busy schedules.

Each session will focus on a selected topic. Whenever possible, the topics for alternating months are similar, yet new. If you choose to attend the sessions each month, our discussions will build upon the previous ones. Topics can be adjusted and revised based on the needs of the group. Each session will begin with a brief informative presentation by the facilitator(s) followed by discussion and sharing.
